Incompletion: Bad initial read from Brown

Incompletion: Intentional throwaway

14:05: 8-yard attempt, interception. Brown throws to a covered Leak. Tipped at line, easy interception. Four of Brown's offensive linemen lying on turf as all three WVU down linemen close in on him. Fifth linemen in space, blocking no one.

21:10: 2-yard completion. Nicely designed swing pass to Reid for first down.

22:45: 5-yard completion: Brown, under intense pressure, hits Long for first down. Good throw.

23:50: Screen/swing completion to Reid for first down.

24:10: 35-yard incompletion to Culmer. 83 was wide open for touchdown, and Brown misses him. Had some pressure in backfield but just missed, badly.

24:40: 9-yard incompletion to Leak. Misses him high and inside, leaving free safety a chance for a huge hit. Leak gets hands on it but can't catch it. Poor throw that could have been caught. On Brown.

25:17: 2-yard completion to covered Long, who is tackled. Check down. Was pressured early.

33:02: 5-yard completion to Long. Well-delivered ball.

33:50: No gain on completion to Isaacs. Brown under immediate pressure from two men, dumps off to Isaacs for no gain. Had less than two seconds to make a decision.

34:25: 18-yard completion to Long on the sideline, in a tight window. Great throw for first down.

34:55: 3-yard incompletion, misses Long high and over his shoulder. Tipped, should have been intercepted but Worley couldn't hold the ball.

35:31: 1-yard "throw," really just a sweep to Diggs, who scampers 9 yards.

36:07: 17-yard completion to Leak, who got open between three defenders on the sideline. Nice throw.

37:32: Ball batted at line by Nwachukwu. Either Doyle or Goins completely loses track of him, and 97 storms into backfield to bat down pass. Brown had no chance.

38:12: 12-yard incompletion. Doyle manhandled by Nwachukwu. Brown had pressure from all angles but still made a bad throw.

38:50: 3-yard pass to Ross in the flat. 45 runs 7 more yards and is forced OB.

44:25: Screen completion. Throw caught five yards behind line by Ross. Doyle beaten to outside by Nwachukwu. Was a screen pass, but Doyle wasn't part of the screen. Lucky it went for a gain.

45:15: 10-yard incompletion to Isaacs, with time to throw. Misses him high. Ball deflects between two DBs. Could easily have been intercepted

45:51: 7-yard completion hits Diggs in stride for first down.

46:12: Completion. Dumps off 3 yards behind line to Ross, who runs for a nice gain.

48:21: Screen to Ross, who runs for a few yards.

48:45: 8-yard incompletion for Diggs is too far to the inside. Diggs covered well. Ross missed an edge-rusher, coming for Brown.

50:20: 11-yard incompletion to Long is bounced. Lousy throw.

58:14: 35-yard completion to Diggs, who has nobody within eight yards of him in any direction. Diggs then takes it 42 yards more for a touchdown.

67:55: 27-yard incompletion for a covered Leak on the sideline. Throw out of bounds, no chance for a catch.

97:37: Screen completion to Diggs.

99:00: 23-yard incompletion to Veii, with time. Short-hops him. Bad throw.

108:20: Screen completion to Reid.

109:20: 9-yard incompletion to Leak. High, misses him. Bad throw. Good protection.

123:17: 5-yard completion to Ross, who runs for a gain. Decent protection. Check down.

123:40: 4-yard incomplection, intended for Diggs. Brown airmails it out of bounds. Was flushed, still should have completed the pass for at least some gain.

130:27: 5-yard incomplection to Diggs gets batted, then dropped by linebacker. Bad read. Should have been intercepted.

143:35: Screen completion to Leak, for a gain.

144:15: Throw-away of about 20 yards: WVU brings seven men, chasing Brown well out of the pocket.

150:43: 13-yard incomplection. Doyle loses 97 again, and Brown rolls out. Throws into triple coverage toward Long, on first down. Again, should've been picked.
